## I. Policy Statement

Pursuant to this Policy, as well as federal and state law, the University of Louisiana at Lafayette (the “University”) will provide an educational and working environment for its *Employees* and students that is free from *Sexual Harassment* and other *Prohibited Sexual Conduct*, which includes *Sex Discrimination* (including discrimination on the basis of sexual orientation, gender identity, or gender expression), *Sexual Harassment*, *Sexual Assault*, *Sexual Misconduct*, and interpersonal violence (including *Domestic Abuse* and *Dating Violence*, and *Stalking*).

Behavior of a sexual nature or connotation which negatively impacts the University community is prohibited even though such behavior may not constitute actionable *Sexual Misconduct*, *Sex Discrimination*, or *Sexual Harassment* as defined by law. *Prohibited Sexual Conduct* in accordance with this Policy includes words and conduct that intimidates, exploits, insults, demeans, disrespects, or embarrasses any individual within the University community.

The University strives to maintain an environment that fosters mutual respect and promotes harmonious productive learning and working relationships. Prevention and elimination of *Prohibited Sexual Conduct* requires the personal involvement and commitment of every University member. Through this Policy and related training requirements, the University seeks to reinforce its intolerance of *Prohibited Sexual Conduct*, and encourages *Employees* and students who experience, observe, or are informed of such *Prohibited Sexual Conduct* to promptly initiate the reporting process set forth in this Policy and the related Procedures.

The Procedures for Reporting and Responding to Alleged Policy Violations Involving a Student as a Respondent and the Procedures for Reporting and Responding to Alleged Policy Violation Involving a Faculty, Staff, or Visitor address how the University handles allegations of *Prohibited Sexual Conduct* and detail the methods to administratively report and address complaints of *Prohibited Sexual Conduct* in

keeping with the University's values and in order to meet the legal obligations of Title IX, Title VII, and other applicable laws.

## II. Purpose of Policy

The University is committed to creating and maintaining a campus environment in which all individuals are treated with respect and dignity and are free to participate in a lively exchange of ideas. Furthermore, the University is committed to fostering an environment in which all members of our campus community are safe, secure, and free from *Sex Discrimination*, *Sexual Harassment*, and *Sexual Misconduct* of any form. The University expects that all interpersonal relationships and interactions – especially those of an intimate nature – be grounded upon mutual respect, open communication, and clear *Consent*. Each student has the right to learn and each *Employee* has the right to work in an environment free of *Prohibited Sexual Conduct*. Through this Policy and the mandatory associated training required for all *Employees* and available training for students, the University seeks to:

- Unequivocally state intolerance for *Prohibited Sexual Conduct*;
- Identify the broad scope of such *Prohibited Sexual Conduct*;
- Establish an effective, uniform reporting and investigative process;
- Require prompt action to protect against recurrence of the *Prohibited Sexual Conduct*;
- Ensure resolutions that impose appropriate remedies or sanctions;
- Protect *Complainants*, *Respondents*, and individuals who report or are involved in the investigative process from harassment, reprisal, or Retaliation; and
- Respect confidentiality and the privacy rights of *Employees* and students to the greatest extent practicable and appropriate. The University cannot guarantee complete confidentiality where it would conflict with the University's obligation to investigate a complaint or maintain a safe, healthy, working and learning environment.

### A. PROHIBITED SEXUAL CONDUCT

#### 1. Sexual Harassment

- a. This Policy prohibits *Sexual Harassment*. *Sexual Harassment* may occur in several different types of situations, including but not limited to, the following:

  - ii. When the submission to or rejection of unwelcome physical conduct of a sexual nature, or unwelcome requests for sexual favors or other verbal conduct of a sexual nature, is used as a basis for academic or employment decisions or evaluations; and
  - iii. When subjected to unwelcome physical acts of a sexual nature, unwelcome requests for sexual favors, or other verbal conduct of a sexual nature, which has the effect of creating an objectively hostile environment that substantially interferes with

employment or education on the basis of sex (including gender), and such conduct is intentionally directed towards a specific individual and has the purpose or effect of unreasonably interfering with that individual's education, employment, or participation in University activities, or creating an intimidating, hostile, or offensive atmosphere.

- b.** Physical examples of *Sexual Harassment*, dependent on the totality of the circumstances present, including the frequency and severity of the conduct, include, but are not limited to, the following:
  - i.** Unwelcome intentional touching or physical contact (i.e., touching, rubbing, leaning over, pinching, invading another's space, purposefully cornering or blocking passage, etc.);

Examples of Sexual Exploitation include, but are not limited to, engaging in voyeurism; forwarding of pornographic or other sexually inappropriate material by email, text, or other channels to non-consenting students/groups; and any activity that goes beyond the boundaries of consent, such as recording of sexual activity, letting others watch consensual sex, or knowingly transmitting a sexually transmitted disease (“STD”) to another.
- d.** This Policy is not in any way intended to replace or supersede the statutory or regulatory rights regarding *Sexual Harassment* available to *Employees* under federal and state law.

- d.** *Statutory Rape*.

## **5. Sexual Behavior Between Individuals in Certain Roles**

This Policy prohibits *Sexual Behavior Between Individuals in Certain Roles*. In this category, both *Consensual* and non-*Consensual* sexual behavior are prohibited because of the University’s presumption that individuals not in a position of authority (or of lesser authority) cannot willingly and freely say no to any sexual advances, acts, or contact from a person in a position of authority.

To protect the integrity of the University academic and work environment, the University requires that when a *Consensual* romantic or sexual relationship exists or have existed between people in positions of unequal power at the University, the person with the greater power must not hold any supervisory or evaluative authority over the other person in the relationship.

If such a relationship develops, the individual in the relationship with the higher position of authority shall notify his/her supervisor, who shall in turn, notify the Title IX Coordinator. Management of such

relationships will be considered on a case-by-case basis, and, when possible, will lead to development of an appropriate plan in consultation with the department chair, dean, and the Office of Human Resources. Any resulting plan must be in accordance with the Louisiana Code of Governmental Ethics.

## **B. RETALIATION**

This Policy prohibits *Retaliatory* or *Intimidating* conduct (including, but not limited to, reprisal and harassment) against any individual who has made an allegation of *Prohibited Sexual Conduct*, or who has testified or assisted in any manner in an investigation pursuant to this Policy. The University will take strong responsive action against any attempt at such *Retaliation*. *Retaliation* will be grounds for a separate violation of this Policy.

Any *Employee* or student making a complaint pursuant to this Policy will be protected from *Retaliation* or *Intimidating* conduct. Likewise, any individual providing information or otherwise participating in the investigation of such a complaint will be protected from *Retaliation* or *Intimidating* conduct.

*Retaliation* must be promptly reported. If a complaint is made and the investigation reveals that *Retaliation* or *Intimidating* conduct has occurred against a *Complainant* or anyone participating in the investigative process, appropriate disciplinary action, up to and including termination, will be taken.

## **C. MANDATED COMPLIANCE**

### **1. Training**

#### **a. Employees**

- i. The University recognizes that implementation of this Policy prohibiting *Prohibited Sexual Conduct* alone is insufficient to prevent and address such behavior. To support this Policy and encourage a culture where *Employees* willingly report concerns, the University requires all *Employees* to successfully complete training on this topic upon hire and on a continuing basis thereafter. Annual training concerning this Policy and the procedures for reporting and responding to complaints under the Policy will be provided to all *Employees*.
- ii. At a minimum, the University requires the following training for its *Employees*:
  - (1.) Within thirty (30) days of hiring, all new *Employees* are required to complete the most recent training course on *Sexual Harassment*. Certification of successful completion will be documented by the Office of Human Resources.
  - (2.) On an annual basis, all *Employees* are required to complete the most recent training course on *Sexual Harassment*. Certification of successful completion will be documented by the Office of Human Resources.
  - (3.) Within thirty (30) days of attaining a supervisory position, all new supervisors are required to complete the most recent training on *Sexual Harassment* designated for supervisory personnel. Certification of successful completion will be documented by the Office of Human Resources.

- iii. Furthermore, it is required that the University's Title IX Coordinator, *Decision-makers*, and *Officials with Authority* receive training on:

- iv. Additional training:
  - (1.) The University will ensure that training will be provided for *Decision-makers* on technology to be used at live hearings and on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant's* sexual predisposition or prior sexual behavior are not relevant;
  - (2.) The University will ensure that training will be provided for investigators on issues of relevance to create an investigative report that fairly summarizes relevant evidence;
  - (3.) The University will ensure that adequate trainings on topics as promulgated by Title IX are made available to the Title IX Coordinator, campus law enforcement officers, security personnel, and *Officials with Authority* to institute corrective measures.

## **b. Students**

The safety and well-being of students is the University's highest priority. Students, as well as the entire University community, have important roles to play by being aware of the issues, watching out for one another, and reporting violations. All students are encouraged to take the free, online Everfi student training program regarding sex- and gender-based violence. Furthermore, all incoming freshmen, students participating in student organizations, and student athletes are required to take the Everfi student training program regarding sex- and gender-based violence.

## **2. Education, Prevention, and Awareness Programs**

The University will annually offer education and prevention programs to *Employees* and students during their first semester of enrollment and on an ongoing basis that include, but are not limited to: (a) awareness programs; (b) bystander intervention programs; (c) ongoing prevention and awareness campaigns; (d) primary prevention programs; (e) education on risk reduction; and (f) development of an institutional task force to assess additional prevention initiatives. These programs will cover, at a minimum: (1) statements that the University prohibits all forms of *Prohibited Sexual Conduct* and the crimes of *Dating Violence*, *Domestic Violence*, *Sexual Assault*, and *Stalking*, as defined by federal law; (2) the definitions of *Dating Violence*, *Domestic Violence*, *Sexual Battery*, and *Stalking* under state law; (3) the definition of *Consent*, as provided in this Policy; (4) safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or to intervene when there is a real or perceived risk of *Prohibited Sexual*

*Conduct* against a person other than the individual; (5) information on risk reduction to recognize warning signs of abusive behavior and how to avoid potential attacks; (6) information about the procedures that *Complainants* should follow, and that the University will follow, after an incident of *Prohibited Sexual Conduct* has occurred; and (7) any other content or resources that support prevention and reduction of *Prohibited Sexual Conduct*. The University will provide and document all training programs.

- a. **Awareness Programs:** Awareness programs consist of community-wide or audience-specific programming, initiatives, and strategies that increase audience knowledge and share information and resources to prevent violence, promote safety, and reduce *Prohibited Sexual Conduct*.
- b. **Bystander Intervention:** Bystander intervention consists of safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of *Prohibited Sexual Conduct*. It also includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene.
- c. **Ongoing Prevention and Awareness Campaigns:** Ongoing prevention and awareness campaigns must consist of programming, initiatives, and strategies that are sustained over time and focus on increasing understanding of topics relevant to, and skills for addressing, *Prohibited Sexual Conduct*, using a range of strategies with audiences throughout the institution.
- d. **Prevention Programs:** Primary prevention programs must consist of initiatives and strategies informed by research or assessed for value, effectiveness, or outcome that are intended to stop *Prohibited Sexual Conduct* before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.
- e. **Risk Reduction:** Risk reduction consists of options designed to decrease perpetration and bystander inaction and to increase empowerment for *Complainants* to promote safety and to help individuals and communities address conditions that facilitate violence. Additional options may include designation and publication of “red zones” (i.e., times and places of high incidence of crimes, including sexual violence).

### 3. Coordination with Local Law Enforcement

The University has entered into Memoranda of Understanding (“MOUs”) with local law enforcement and criminal justice agencies located within each parish of the campus of the University and other organizations such as crisis centers regarding the coordination of its efforts with those of local law enforcement agencies and other organizations such as crisis centers as appropriate. The MOUs clearly delineate the responsibilities and sharing of information between the University, the local law enforcement agencies, and other organizations in accordance with applicable federal and state confidentiality laws including, but not limited to, trends about sexually-oriented criminal offenses occurring against students of the University and joint or shared trauma-informed training specific to assisting *Sexual Assault* victims.

#### 4. Campus Climate Survey

Consistent with the Louisiana Board of Regents and University of Louisiana System Policy, the University will administer an anonymous sexual assault campus climate survey once every three (3) years to students with the intention of assessing campus safety and identify vulnerabilities. This will be coordinated by the Louisiana Board of Regents and the University will be required to submit results of the survey to the Louisiana Board of Regents. The University may supplement the statewide survey by collecting additional information that can be utilized to develop prevention and intervention strategies appropriate for its campus.

#### 5. Website

The University's Title IX website, found at <https://titleix.louisiana.edu/>, not only includes access to this Policy and the Procedures for Reporting and Responding to Alleged Policy Violations Involving a Student as a Respondent and the Procedures for Reporting and Responding to Alleged Policy Violation Involving a Faculty, Staff, or Visitor as a Respondent, but also includes contact information for Confidential Advisors, reporting options for *Complainants*, and other information regarding accommodations, training, and resources available to *Complainants*.

#### D. CLERY ACT REPORTING

Under the Clery Act, the University must report particular crimes, including certain sexual offenses which are included in this Policy. *CSA*'s are responsible for reporting the number of crimes and incidents as described in the Clery Act that occur in their department to the University Police Department. These numbers are then included in the federally mandated Clery Report, which is distributed every year in the beginning of October. The report will not include an individual's name, or that of any other involved individuals. The University must publish an Annual Security Report ("ASR") documenting three (3) calendar years of select campus crime statistics including security policies and procedures and information on the basic rights guaranteed victims of *Sexual Assault*. The law requires the University make the report available to all current students and *Employees*, and prospective students and employees must be notified of its existence and given a copy upon request.

The University must also issue timely warnings about Clery Act crimes which pose a serious or ongoing threat to students and *Employees*. The University must provide timely warnings in a manner likely to reach all members of the campus community.

#### E. FREE SPEECH

This Policy and its related procedures will not be implemented in a manner that infringes on any form of speech or conduct that is protected by the First Amendment.

### III. Applicability

This Policy is applicable to and enforceable against all *Employees*, including faculty, administrators, staff, students, individuals affiliated with the University by contract or otherwise (including, but not limited to, non-*Employees*, such as vendors and independent contractors, maintenance personnel, clients, consultants, volunteers, student organization advisors), and visitors. This Policy applies to the entire University community, regardless of an individual's sexual orientation or gender identity. This Policy may include *Prohibited Sexual Conduct* that has taken place on or off campus.

With respect to *Employees*, this Policy applies to all University *Employees* regardless of position, rank, or status. This includes classified and unclassified *Employees*, as well as full time, part time, seasonal, and temporary *Employees*. The tenets of this Policy are equally applicable to appointing authorities, executive management, faculty, administrators, directors, managers, supervisors, staff members, student workers, and interns. This Policy applies not only to the customary workplace and work locations where University *Employees* may be assigned, but also prohibits such behavior while traveling for work, while attending conferences or off-site meetings, workshops, training, business trips, and business-related social events.

#### IV. Definitions

Where starred (\*), the terms listed herein are defined as stated in the Louisiana Board of Regents' Uniform Policy on Sexual Misconduct.

1. **Coercion\***: is the use of express or implied threats, Intimidation, or physical force which places an individual in fear of immediate harm or physical injury or causes a person to engage in unwelcome sexual activity. *Coercion* also includes administering a drug, intoxicant, or similar substance with the intent to impair that person's ability to *Consent* prior to engaging in sexual activity.
2. **Complainant**: is an individual alleged to have been affected by *Sexual Harassment* or other *Prohibited Sexual Conduct* in violation of the Policy, regardless of whether a formal complaint has been filed.
3. **Confidential Advisor**: individuals designated, to the extent authorized under law, to provide confidential services to *Complainants*.
  - a. The *Confidential Advisor* shall be authorized to advise *Complainant* of, and provide written information regarding, both *Complainant's* rights and the University's responsibilities regarding orders of protection, no-contact orders, restraining orders, or similar lawful orders issues by a court of competent jurisdiction or by the University.
  - b. The *Confidential Advisor* shall be authorized to liaise with appropriate staff at the University to arrange reasonable accommodations through the University to allow *Complainant* to change living arrangements or class schedules, obtain accessibility services, or arrange other accommodations. The same accommodations that are offered to *Complainant* may be offered to *Respondent*. Any requests for accommodations shall not trigger an investigation by the University.
  - c. The *Confidential Advisor* shall be authorized to accompany *Complainant*, when requested to do so by *Complainant*, to interviews and other proceedings of a campus investigation and University disciplinary proceedings.
  - d. The *Confidential Advisor* may, as appropriate, serve as a liaison between *Complainant* and the University or local law enforcement when directed to do so in writing by *Complainant* who has been fully and accurately informed about what procedures shall occur if information is shared, and assist *Complainant* in contacting and reporting to an *Official with Authority*, the Title IX Coordinator, or local law enforcement.
  - e. The *Confidential Advisor* shall not be obligated to report crimes to the University or law enforcement in a way that identifies *Complainant* or *Respondent*, unless otherwise required to do so by law.

4. **Consent\***: *Consent* to engage in sexual activity must exist from beginning to end of each instance of sexual activity. *Consent* is demonstrated through mutually understandable words and/or actions that clearly indicate a willingness to engage in a specific sexual activity. Silence alone, without actions evidencing permission, does not demonstrate *Consent*. *Consent* must be knowing and voluntary. To give *Consent*, a person must be of legal age. Assent does not constitute *Consent* if obtained through *Coercion* or from an individual whom the Alleged Offender [herein, *Respondent*] knows or reasonably should know is *Incapacitated*. The responsibility of obtaining *Consent* rests with the person initiating sexual activity. Use of alcohol or drugs does not diminish one's responsibility to obtain *Consent*. *Consent* to engage in sexual activity may be withdrawn by any person at any time. Once withdrawal of *Consent* has been expressed, the sexual activity must cease. *Consent* is automatically withdrawn by a person who is no longer capable of giving *Consent*. A current or previous consensual dating or sexual relationship between the parties does not itself imply *Consent* or preclude a finding of responsibility.

Note: *Consent* is a voluntary agreement to engage in sexual activity. *Consent* to engage in sexual activity with one person does not imply *Consent* to engage in sexual activity with another. *Coercion*, force, or threat of either invalidates *Consent*.

5. **Consensual**: agreed to by mutual *Consent*.
6. **Campus Security Authority (CSA)\***: a CSA is a person referred to as a campus security authority by the Clery Act. CSAs are a vital part of data collection for the annual safety and security report. The Clery Act requires [the University] to provide an annual safety and security report. In addition to input from law enforcement, certain staff positions are designated as *Campus Security Authorities (CSA)* for the purpose of providing information for this report. CSAs are usually found in departments responsible for, but not limited to, student and campus activities, safety/security, discipline, housing, athletics, human resources or judicial proceedings. This designation also includes any individual who has been specified by [the University] to receive and report offenses. CSAs are responsible for reporting the number of crimes and incidents as described in the Clery Act that occur in their department to the [University] Police Department. These numbers are then included in the federally mandated Clery Report, which is distributed annually during the month of October.
7. **Course of Conduct**: is two or more acts in which a person directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person or interferes with a person's property.
8. **Dating Violence\***: is

- iii. The frequency of interaction between the persons involved in the relationship.

**14. Grievance Process**: is the process by which complaints of *Prohibited Sexual Conduct* or *Retaliation* in violation of this Policy are made to the University and are addressed by the University through a formal or informal process (as appropriate).

**15. Hostile Environment Caused by Sexual Harassment**: includes any situation in which there is harassing conduct that is sufficiently severe, pervasive, or objectively offensive such that it alters the conditions of employment or limits, interferes with, or denies educational benefits or opportunities. A *Hostile Environment* can be created by a one-time act that is severe (i.e., a *Sexual Assault*), or it can be created by repeated acts of less severity (i.e., *Sexually Harassing* comments made over a period of time). Examples of a *Hostile Environment Caused by Sexual Harassment* include, but are not limited to:

Part 106, the University's Title IX Coordinator has primary responsibility for coordinating the University's efforts to comply with and carry out its responsibilities under Title IX, which prohibits Sex Discrimination in all the operations of this University, as well as Retaliation for the purpose of interfering with any right or privilege secured by Title IX.

The Title IX Coordinator oversees the University's response to allegations and complaints that involve possible *Sex Discrimination* to monitor outcomes, identify and address any patterns, and assess effects on the campus climate, so the University can address issues that affect the wider University community. R.S. 42:342 et seq. *Employees* should be aware that there are certain procedures and time delays, including the filing of a complaint with the Equal Employment Opportunity Commission (“EEOC”) or the Louisiana Commission on Human Rights (“LCHR”), which must be satisfied prior to initiating civil litigation regarding inappropriate workplace sexual behavior.
